-  24 months
-  11 % vol.
-  6 - 8 °C
-  75 cl
-  0331

TASTING NOTES

With a straw-yellow colour and subtle golden reflections, it gives delicate aromas of fruit compote and honey of orange blossom on the nose. A slight touch of pastries that is provided by its ageing. It has an appealing entry in the mouth with a perfectly delicate carbonic integration. Its singular expedition liquor, Chardonnay aged in barrel, provides an ideal touch of sweetness to complement desserts, foies, and strong cheeses.
