## COSECHA ROSÉ WINE MASET DEL LLEÓ

### BATHED IN SUNLIGHT

Between the Pre-Coastal Range and the small Mediterranean coastal plains, Merlot is born. Our vineyards face south to receive the sea breeze in all its vigour and the intense summer sun. This allows its fruits to ripen slowly until reaching optimal sweetness. Lyrical and sensory synergy captures the land's essence.

- Maset del Lleó
- DO Penedès
- Merlot
- 12 % vol.
- 8 - 10 °C
